

FOR IMMEDIATE RELEASE

Canto Website Honored by Leading Magazine

Deutscher Drucker names Canto site "Website of the Week."

PRESS RELEASE

BERLIN 24 MAR 2009 — Canto® today announced that German magazine *Deutscher Drucker* has named Canto's recently overhauled German language website "Website of the Week."

Among the website features mentioned specifically by the magazine are the Canto Marketplace, where Cumulus enhancement and add-on products are listed, and the use-case section, in which the benefits of Cumulus are described within the context of real-world usage scenarios.

Canto marketing director Steffen Setzer, who described the magazine as a "must have" for anyone in the print industry, was pleased with the magazine's choice.

"*Deutscher Drucker* is widely recognized as the leading publication in its class, so their recognition of our site is particularly meaningful to us," he said. "We're very appreciative."

For more information about *Deutscher Drucker*, visit the magazine's website:

<http://www.publish.de>

The issue in which Canto's website was chosen is dated 10/19.03.2009.

About Canto & Cumulus

Canto has been dedicated to helping customers fully utilize their digital assets since 1990. Canto Cumulus is a cross-platform solution that enables companies to easily organize, find, share and track their ever-increasing numbers of digital files, in any format. Canto's worldwide network of certified developers offers an impressive assortment of plug-ins that enhance the Cumulus product line further.
