

Save the Date: BioEntrepreneurship Summit 2021 - digitally delivered

Create the future of medicine!

BioEntrepreneurship Summit 2021 - *digitally delivered* - from **October 19 to 21 this year!**

At the [BioEntrepreneurship Summit](#), we bring together founders, startup enthusiasts, experienced entrepreneurs, corporates and investors to foster the exchange of knowledge, to inspire and to empower, and to celebrate life science entrepreneurship. In 2021, the event will be organized in a **fully virtual format**.

Highlights 2021

- Be part of the bioentrepreneurial ecosystem
- Learn from peers, experienced entrepreneurs and industry leaders
- Meet exciting pre-seed and start-up showcases
- Get to know investors and their investment focus
- Be inspired by key notes and captivating panel discussions
- Arrange 1:1 meetings and make new contacts while speed dating
- Participate in workshops, campfires and other interactive formats
- Get to know key trends shaping the industry and the future of medicine
- Enjoy the m4 award ceremony
