Relive the moment, relive with camLine.

On this edition of camLine relive, let us deep dive into 3 topics as we take you back this year's webinars. But wait—camLine relive is more than a replay! We also invite you to join the subsequent interactive talk session. The first part of this online event is a recording of one of our past webinars:

1. [Stargazing Quality KPIs Across Your Factories](#), Nov 24, 2020
2. **Discover Quality Management for the Supply Chain**, Dec 4, 2020
3. **Automated and Applied Analytics on LineWorks SPACE Data with Cornerstone**, Dec 9, 2020

The second part involves a live discussion with our industry experts. Exchange your ideas with camLine Account Managers.
