

How to Navigate E-Invoicing Postponements (feat. PwC)

Recent months have surprised us with **numerous changes in the implementation deadlines** for regulations regarding **e-invoicing** and **e-reporting**. From postponed dates to adjustments in technical requirements, in 2023, **the EDI landscape was hit by disruptions**, the effects of which are felt by entrepreneurs in many countries.

How do we navigate the new reality and better understand what will happen with **mandatory e-invoicing** in the coming years? Sign up for the Comarch's webinar (feat. PwC) to find out!

This is your chance to prepare for the upcoming changes and understand why it is worth doing so now. During the webinar, we will provide **global updates** on the latest regulations and help you prepare a **strategy for their implementation**. We will also dispel any doubts during the webinar's **Q&A session**.

Register now to join EDI experts – **Ellen Cortvriend** and **Rafa? Trojanowski** – on May 8th, 10 a.m. CET!
