

MindsON RBQM Workshop | Episode 23: What is a Critical to Quality Factor anyway?

What is a Critical to Quality Factor anyway?

A blue banner for a free webinar. On the left is a circular portrait of Johann Proeve, PhD, Chief Scientific Officer at Cyntegrity. In the center, the text reads "FREE WEBINAR | March 28" followed by "17:00 - 18:00 CEST" and "11:00 AM - 12:00 PM ET". On the right is a circular portrait of Keith Dorricott, MBB, Lead Instructor at MyRBQM Academy.

Join the Journey of Continuous Improvement

The guideline for Good Clinical Practices, ICH E6 (R3) draft, and ICH E8 (R1) introduce Critical to Quality (CTQ) Factors. What are they? How should they be used as part of RBQM? And whatever happened to critical processes and critical data?

ABOUT "mindsON RBQM" WORKSHOPS

mindsON RBQM is a series of workshops by Cyntegrity's MyRBQM Academy that provides practical advice on the challenging aspects of an RBQM roll-out and its daily execution. Each workshop allows room for interactive dialogue and problem-solving exercises. We invite you to share your experiences and participate in the interactive dialog with our well-known industry experts, Johann Proeve (PhD) and Keith Dorricott (MBB). If you prefer to listen and observe, that's okay as well.

Beginn:

Donnerstag, 28. März 2024, 17:00 Uhr

Ende:

Donnerstag, 28. März 2024, 18:00 Uhr
