

Annual Meeting of Process Engineering and Materials Technology

Das **Jahrestreffen "Prozess-, Apparate- und Anlagentechnik" (PAAT)**, dieses Jahr vom 11. - 12. November 2024, DECHEMA Haus Frankfurt, wird international:

The Annual Meeting of DECHEMA/VDI Division „Process Engineering and Materials Technology (PAAT/WKL)“ will take place from November 11 - 12, 2024 at DECHEMA Haus Frankfurt.

Process Engineering and Materials Technology of our Future:

Interdisciplinary topics such as climate-friendly and sustainable production, electrification, CO₂ and H₂ management are developments that will determine process and materials engineering in the present and future. Other key topics as digital technologies in engineering, plant construction and operation, trends in process development and process technology as well as latest developments in plant construction and operation will also be the focus of the Annual Meeting 2024. Trends in materials and apparatus technology will also be covered.

Please submit related presentations and posters in English by 10 May 2024!

Beginn:

Montag, 11. November 2024

Ende:

Dienstag, 12. November 2024

Veranstaltungsort:

Frankfurt am Main
Deutschland
