

Engineering for a Sustainable World: Summit for Clean Technologies & Brighter Legacy

The next ECCE/ECAB will take place in Lisbon/Portugal on 8 - 10 September 2025. To stay up-to-date [subscribe to our newsletter](#).

Chemical engineering, biotechnology and bioprocessing are the key to providing innovative solutions for food supply, mobility, energy, health and well-being while striving for a sustainable economy. At ECCE 15 & ECAB 8, scientists from industry, universities and research institutions from Europe and beyond will meet in Lisbon to discuss the latest research and industrial applications in all fields of chemistry, process engineering, biotechnology and related fields.

This year's conference will be held in conjunction with the 3rd **CIBIQ - Iberoamerican Congress on Chemical Engineering**. The CIBIQ congresses were born with the goal and the spirit of building bridges within the Ibero-American, chemical engineering community to join forces, to work as a team, to share experiences, and to attain even higher goals for the benefit of the Society that we serve.

The conferences unite chemical and process engineers, biotechnologists, bioprocess experts, chemists, material scientists and related disciplines with a focus on applied research and development.

ECCE 15 & ECAB 8 is organized by **DECHEMA e.V.** in cooperation with the **European Federation of Chemical Engineering (EFCE)**, the **European Society of Biochemical Engineering Sciences (ESBES)**, the **Portuguese Society of Biotechnology (SPBT)** and the **Ordem dos Engenheiros/Colégio de Engenharia**.

- The highlight event for the European chemical engineering and biotechnology community
- Cross-linking disciplines and organisations to span the bridge from R&D to the industrial practice
- High-profile international plenary and keynote speakers
- Industry exhibition, poster exhibition and plenty of networking opportunities
- Academic and industrial experts in the field of chemistry, process engineering, biotechnology and related fields will attend
- First meeting held in Florence, Italy in 1997 and since then, every two years at different locations such as: Montpellier, Nuremberg, Granada, Copenhagen, Prague, The Hague, Nice Barcelona and Berlin.

The next ECCE/ECAB will take place from 8-10 September 2025 in Lisbon/Portugal. Save the date in your calendar and look forward with us to interesting presentations, interactive exchange with colleagues, the diverse range of exhibitors and sponsors as well as a supporting programme that offers plenty of time for networking.

Beginn:

Montag, 8. September 2025

Ende:

Mittwoch, 10. September 2025

Veranstaltungsort:

Lissabon

Portugal
