

GCB 2023

The **German Conference on Bioinformatics (GCB)** is an annual, international conference devoted to all areas of bioinformatics and meant as a platform for the whole **bioinformatics community**. Recent meetings attracted a multinational audience of approx. 250 participants each year.

The conference will take place at the [DESY](#) research facility, one of the world's leading accelerator centres. Besides the talks and poster sessions, ample networking opportunities including a conference dinner, a guided tour through DESY's accelerator labs, and a company exhibition to connect with industry representatives will be provided.

Looking forward to seeing you in Hamburg!

Abstract submission is open now!

Abstracts for lectures can be submitted until **1 May 2023**.

The submission of **poster abstracts** will close on **7 August 2023**
