

German Conference on Bioinformatics - GCB2024

The **German Conference on Bioinformatics (GCB)** is an annual, international conference devoted to all areas of bioinformatics and meant as a platform for the whole **bioinformatics community**. Recent meetings attracted a multinational audience of approximately 250 participants each year.

The conference will take place at Bielefeld University. Besides the talks and poster sessions, ample networking opportunities including a conference dinner will be provided.

The conference starts in the afternoon of 30 September 2024 and is preceded by a workshop programme in the morning.

Looking forward to seeing you in Bielefeld!
