

Edmund Optics Innovation Summit: Defining the Future of Imaging

EDMUND OPTICS INNOVATION SUMMIT: DEFINING THE FUTURE OF IMAGING CONSIDERATIONS FOR SENSORS AND EMERGING TECHNOLOGY

Join us for another Edmund Optics Innovation Summit to:

- **LEARN** from Edmund Optics Imaging Experts, in partnership with additional industry experts, about the future of imaging technology and vision applications.
- **DISCOVER** valuable insights on sensor technology, pixel size, and lenses through interactive presentations, demonstrations and panel discussions.
- **CONNECT** with seasoned industry professionals in our virtual breakout sessions.
