

Poolside Inspiration Session: Flexo Workflow

The graphic is split into two main sections. On the left, a white background contains the Hybrid Software logo at the top, followed by the title 'Inspiration Session: Poolside!' in a large, teal, sans-serif font. Below this is the subtitle 'Flexo Workflow' and the date 'July 29th @ 2 PM CEST'. A short paragraph of text is followed by a bulleted list of four benefits. On the right, a photograph shows a poolside scene with a glass of lemonade on a ledge, lemons, and a 'Register now!' sticker. The Hybrid Software logo is also present in the top left of the white section.
