

International Automotive Recycling Congress 2023

IARC is the international platform for discussing the latest developments and challenges in circular economy and automotive recycling. We bring together up to 300 decision-makers from the automotive and recycling sector, especially car manufacturers, metal suppliers, plastic scrap traders, recyclers, shredder operators, policy-makers and many more.

Beginn:

Mittwoch, 21. Juni 2023, 08:00 Uhr

Ende:

Freitag, 23. Juni 2023, 13:00 Uhr

Veranstaltungsort:

Geneva

Schweiz
