

Webinar "RBG System: The new Palas® Aerosol Generator"

Webinar:
RBG System
Fast. Precise. Reproducible. Our New Aerosol Generators.
27.07.2022 - 9:30 AM | 4:00 PM (CEST)

For more than 25 years, the RBG system has been used worldwide with great success for the reliable dispersion of non-cohesive powders such as mineral dusts, active pharmaceutical ingredients, pollen, etc.

Learn more about our new devices in this webinar with our Division Manager Martin Schmidt.
